

PUCKLECHURCH PARISH COUNCIL

Update to July allotment report, 14 Aug 2023 by Rick Dunning

I've left a thumbnail of the July inspections so you have a comparison. Comment is below the photo of each plot.

Plot 5:

Not good.

No change. Clerk to issue termination letter as holders have not responded to warning letter so are in breach of tenancy agreement.

Plot 6:

Not good.

No change. Clerk confirms allotment holder is giving up plot and has been given to 31 August to remove personal effects.

Plot 14:

Ok.

Seems to have got worse. For information, plot to be monitored.

Plot 17:

Not great.

No improvement. Termination letter has been issued and plot will be re-let.

Other issues:

The lock to the gate does not work and the gate itself needs hanging properly. As it is, one has to be able to lift the gate (which at more than 6 ft tall and made of metal is not easy) to both open it and lock it. A frail allotment holder would struggle. The lock is also damaged.
