Dear Sir/Madam

**HIGH STREET, WINTERBOURNE
MAJOR MAINTENANCE WORKS 8 - 26 NOVEMBER 2021**

I am writing to advise you that the major resurfacing works that are to be carried out at High Street, Winterbourne have been rearranged to start on the 8th November. (See attached plan of site.)

The works will involve the planing off of the existing surface of the carriageway and the laying of a new surface. The work will start at 8.00pm and remain in place until approximately 6.00am. **These works will create a significant amount of noise.**

For the duration of the works, the road will be closed and all traffic will be diverted around the area whilst the closures are in place. We will make every effort to ensure that access to properties and amenities fronting the site and whose only access is from the closed road, is kept available and the disruption to local residents is kept to a minimum. However, there may be periods of time when access to properties by vehicle will be unachievable, and for this, we apologise. Please note that adverse weather conditions or plant / delivery problems may affect these times and dates.

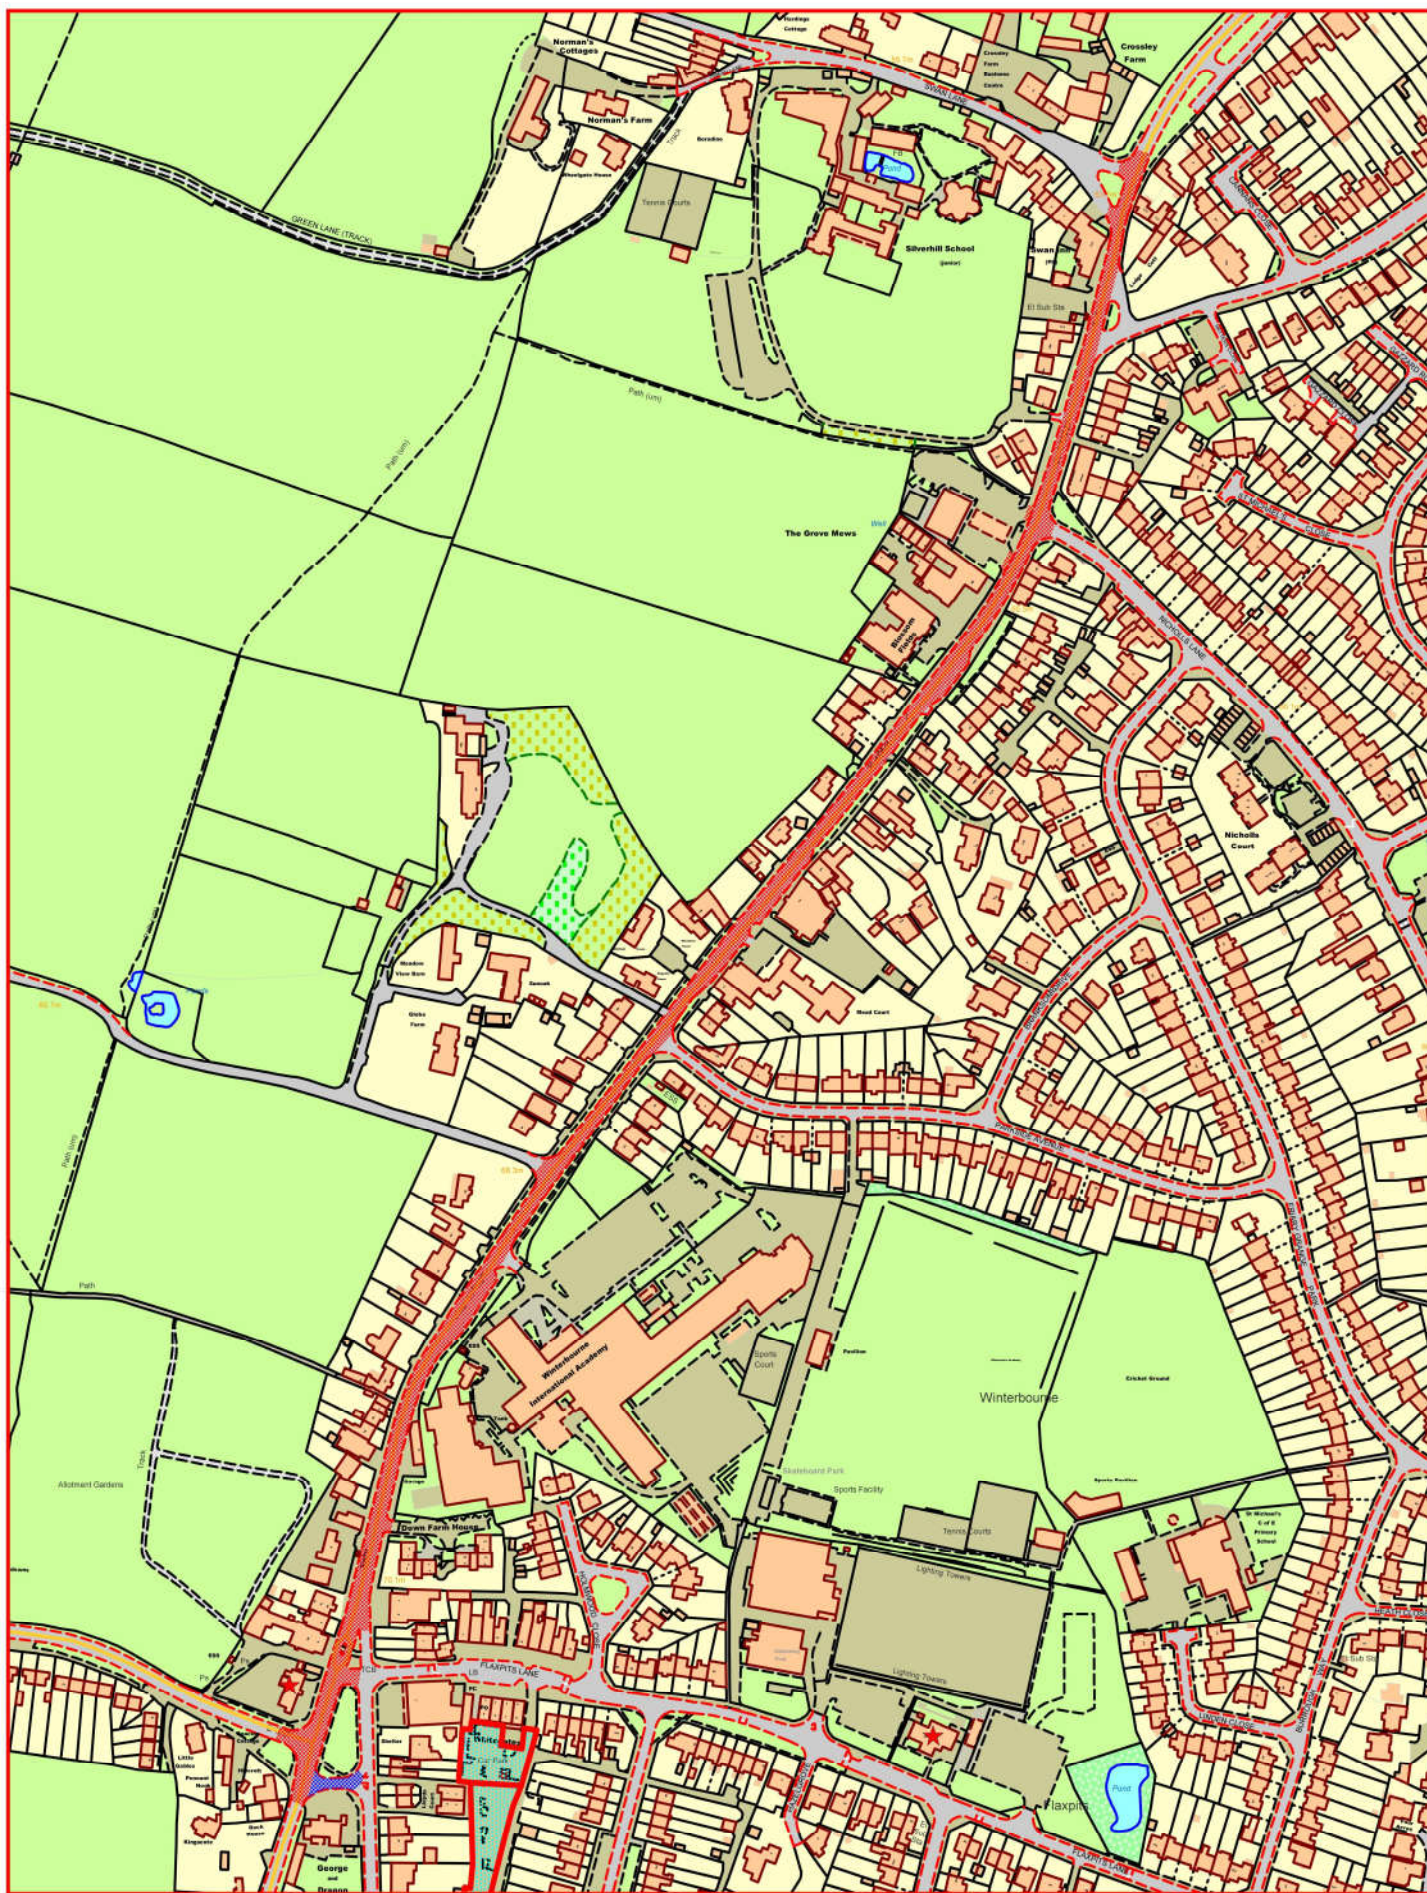

Although alternative routes will be signposted whilst the works are in progress, it is possible that delays may occur on the surrounding network. Please watch the local press for any further news, but you are advised to avoid the area if possible for the duration of the works. South Gloucestershire Council apologises for any inconvenience caused by these essential works.

In the meantime, if you have any queries please do not hesitate to contact Jo Perry on the above telephone number.

Yours faithfully

**Joanne Perry
Engineer (Highway Maintenance)
