Emersons Green - Pucklechurch -
Warmley - Oldland Common -
Bitton - **Keynsham**

People-powered transport

*WEST*local is a new type of bus service - designed by local people to meet the needs of their community. They're being created all over the region thanks to funding from the West of England Mayoral Combined Authority.

See how your *WEST*local came about and why it's important you support your local bus service.

Keynsham, Ashton Way	0722	0952	1232	1430	1744

The route generally starts in Emersons Green before heading for Shortwood and Pucklechurch. It then goes via Siston Lane and Deanery Road to The Griffin at Bridgegate. From here it goes to North Common, along Mill Lane, then Tower Road South to North Street and High Street, Oldland Common. Next is Cherry Garden Lane, Bitton and Kenilworth Drive, Willsbridge. It then turns left towards Bitton as far as The White Hart before heading back to Keynsham, calling at the station and into town. There are also connections to Yate and Westerleigh at certain times.

Pay on the bus by cash or card. Concessionary passes accepted*

Designed locally, run locally

Designed for local people, by local people

The parish councils of Bitton, Oldland, Pucklechurch and Siston came together to engage with their local communities to design an innovative route to create this *WEST*local bus service.

It is with thanks to the many local people who told us what kind of service they wanted and where they needed to get to, that we have been able to design this route and bring it to life. Local knowledge and expertise of the parish councillors, officers and local community have helped to devise something completely new.

We now want to see our communities embrace their *WEST*local to get around and consider leaving the car at home by choosing a green and environmentally friendly alternative. Success will depend on local support!

Members of Bitton, Oldland, Pucklechurch and Siston Parish Councils celebrating their collaborative *WEST*local service.
