Become a Hedgerow Hero in South Gloucestershire

We're looking to build a small team of volunteers for our Hedgerow Heroes project, to enhance the quality of hedgerows in South Gloucestershire.

You'll join a group of enthusiastic volunteers helping to carry out a range of tasks, including hedge-laying, planting and general conservation tasks to help restore the wildlife and landscape value of the countryside.

By volunteering with us you can make a real difference and be part of a friendly and passionate charity.

What we are looking for

Enthusiastic volunteers who can spare a day a week to improve hedgerows over the coming winter.

What you will gain

Conservation skills and knowledge, including a free hedgelaying course. The chance to work in a friendly team and help improve the landscape!
