

Do your bit to stay safe and prevent crime this Christmas

- Going out to celebrate the festive season? Book a taxi home in advance.
- While out enjoying the festivities, keep an eye on your drink; spiking only takes a second.
- Make sure you use a secure website when doing your Christmas shopping online.
- If you've been Christmas shopping, don't leave valuables on display in your car.
- Pop into see your neighbour to make sure they are safe this Christmas.
- Lock doors and windows if you are going out to see family or friends.
