#### **2025/03/19 NO 2. To consider and approve responses to South Gloucestershire's Local Plan Regulation 19 consultation.**

It was noted that as planned a working meeting to formulate draft responses to the consultation had taken place on Friday 28th March. The working party consisted of 3 councillors and the Clerk. It was agreed to use the previous detailed responses to the local plan as the basis for responses to a range of specific policies presented within the draft plan, as well as observations made through research and also on the day. The results of these had been circulated in advance of the extraordinary meeting. As a result, the council passed the following resolution:

Resolved to agree and approve the submission of all comments as supplied in response to the Reg 19 consultation (subject to some minor typographical errors being corrected).

Councillors also wished to record their thanks to the Clerk for the considerable amount of work she had put into enabling such well-informed and clear responses.

The meeting closed at 6.15pm
