## **Email from Pucklechurch news**

Sarah and myself have been producing the Pucklechurch News since 2012 and both feel like we've done our bit. We will be putting the attached article into the Spring edition of Pucklechurch News, asking for new people to come forward to take over from us.

We will continue to put the Spring edition to bed and also the Summer edition. Hopefully, a couple of people will come forward to ensure the Pucklechurch News continues in its current format. Fingers crossed, eh....

Kind regards

Claire Dolman

## **Get involved with Pucklechurch News!**

Claire and Sarah, your editors, have now been at the helm of Pucklechurch News for well over a decade and we think it's time to hand the reins over to some fresh faces. Would you like to help to produce Pucklechurch News? It's published four times a year and the role is primarily news gathering and proof-reading - the printer sorts out the layout. If you're good with your grammar and would like to see the village continue to get a newsletter, do get in touch at [editor@pucklechurch.org](mailto:editor@pucklechurch.org)

Equally, we need folk who could distribute the magazine around the village so if you think you can help and would like to get involved, please get in touch at the email address above.
